# E-Lass Conference

**11.10.2017, Hotel Histria, Pula**

| | | | | |
|---|---|---|---|---|
| **Lightweight Applications** | | | | |
| 08:15 | 08:30 | Welcome to Uljanik | Aleksandar Kajtez | Uljanik |
| 08:30 | 09:10 | Uljanik composite RoRo-deck project | Vito Radolovic, Michael Rahm | Uljanik / RISE |
| 09:10 | 10:00 | Composite Tween Deck for Bulk Carrier – Testing of a Full-scale Prototype | Philippe Noury, Ragnar Hansen, Lars Espen Holm | DNVGL/ HEAC/ CompOcean |
| 10:00 | 10:20 | FAUSST - novel solutions for composite-steel joints | Rafael Luterbacher | Center of Maritime Technologies e.V. |
| 10:20 | 10:45 | Coffee break | | |
| 10:45 | 11:05 | Lightweight structures | Lars Molter | Center of Maritime Technologies e.V. |
| 11:05 | 11:25 | Composite hatches and doors | Arnold Vaandrager | Vabocomposites |
| 11:25 | 11:45 | PET-based core material | Stefan Reuterlöv | Armacell |
| 11:45 | 12:05 | Basalt fibres for composites | Wouter Verbouwe | Basaltex NV |
| 12:05 | 13:00 | Lunch | | |
| **Innovation Actions** | | | | |
| 13:00 | 13:30 | The RAMSSES project | Carlo Cau, Matthias Krause | Cetena, Center of Maritime Technologies e.V. |
| 13:30 | 14:00 | Project cooperation opportunities in RAMSSES | Frank Roland | Center of Maritime Technologies e.V. |
| 14:00 | 14:30 | E-Ferry - Classification and risk assessment | Trine Heinemann | Ærø Kommune |
| 14:30 | 15:00 | Coffee break | | |
| **Rules and Regulations** | | | | |
| 15:00 | 15:20 | New materials attached to offshore practice | Agnes-M. Horn, Ramin Moslemian, Philippe Noury | DNVGL |
| 15:20 | 15:40 | IMO FRP regulation status | Franz Evegren | RISE |
| 15:40 | 16:00 | Modernising composite materials regulations | Simon Quinn | University of Southampton |
| 16:00 | 17:00 | Discussion: approaches to improve innovation capabilities | Arnold de Bruijn (moderator) | Netherlands Maritime Technology Foundation |
