Arriving to Borås:

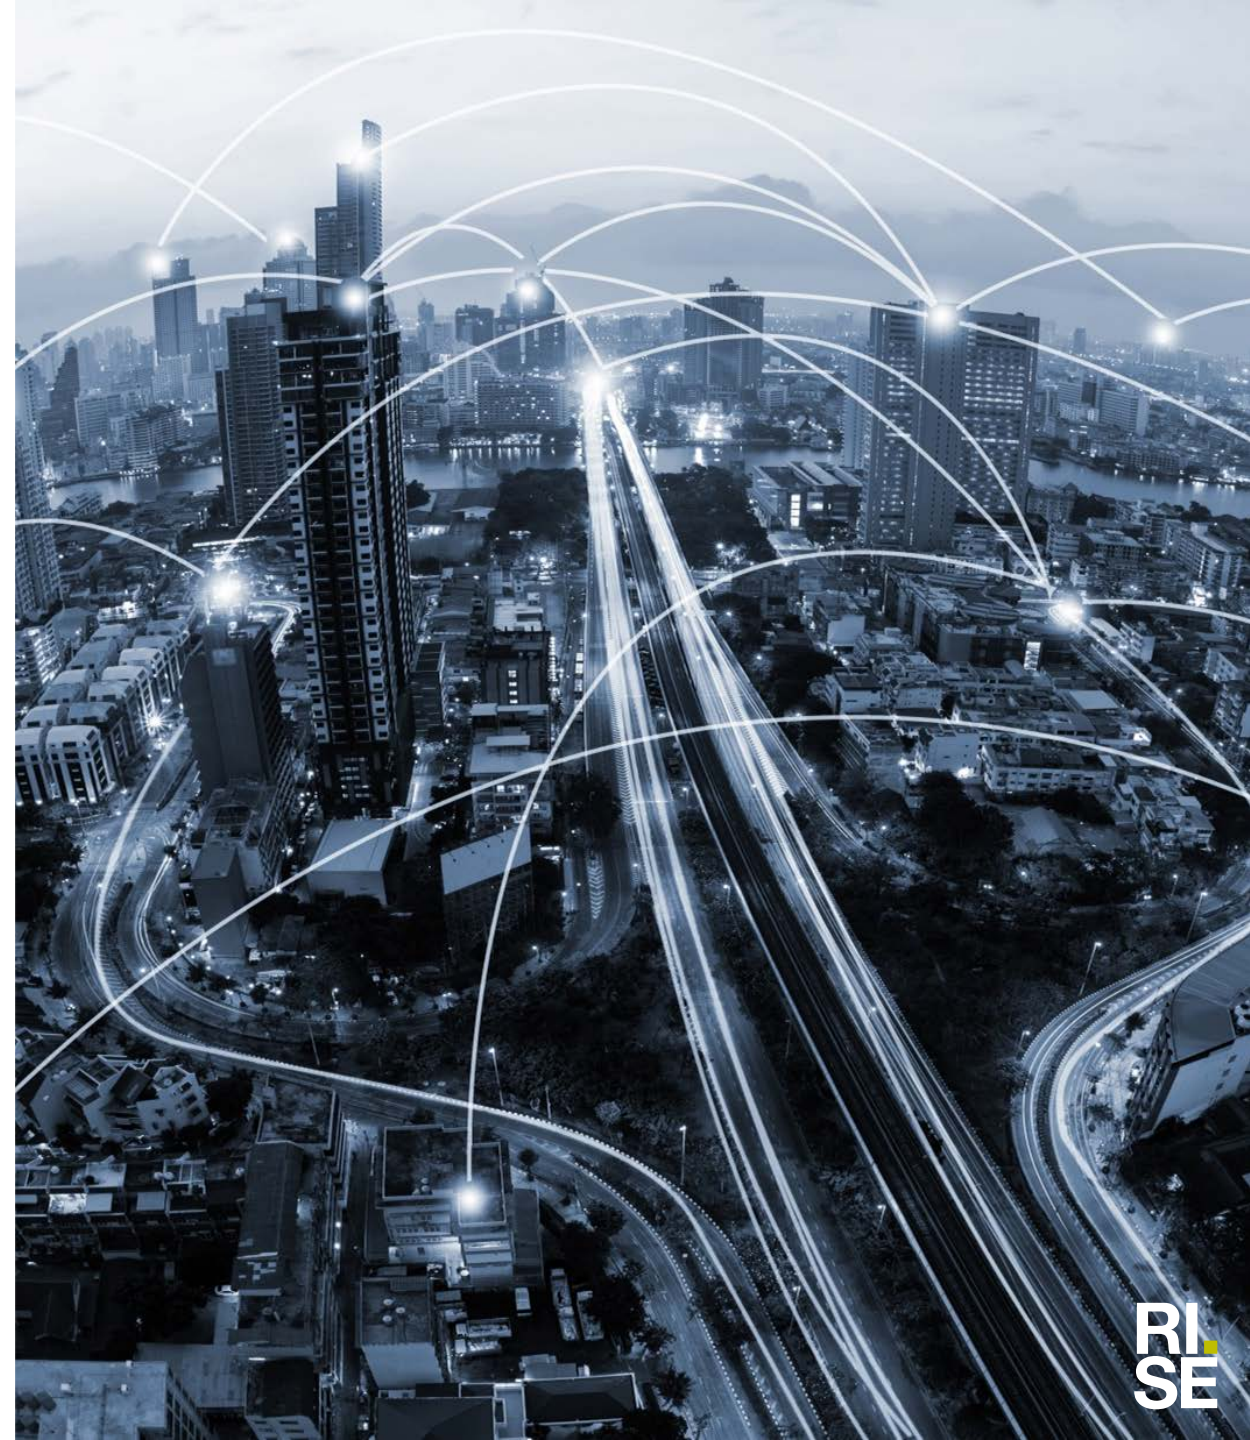

- **By air:** Fly in to Gothenburg airport (GOT), located between Gothenburg and Borås. Take a taxi (25 min) or bus (35 min) to Borås. For cheaper rates, use the taxi company "Taxi Borås (order@taxiboras.se or ph +46 33 12 70 70)" or otherwise "Taxi Kurir" (~600 SEK), if available. Buses from Landvetter are run by [Swebus](#) and [Nettbus](#), however departures are not very frequent. By bus you arrive at Borås Resecentrum (the station) and you may also need to get to RISE (see "hotel slide").
- **By sea:** Take the Kiel ferry to Gothenburg (generally arriving at 9.15). From the Stena Germany (Kiel) terminal it takes about 1.5-2 h to get to Borås by local transportation. You start at "Chapmans torg" and your destination is "SP" (please advise [Västtrafik](#) for further directions). By taxi the trip takes about 45 minutes.
