The logo for S-LASS, featuring the text "S-LASS" in blue with a small orange triangle above the "A".

Coming events

- S-LÄSS meeting, fall 2023, location to be decided
- Technical visit at RISE lab and test facilities in Borås, October 2023
 - Fire and Safety
 - Awitar, test facility to check the electromagnetic compatibility (EMC) of its vehicles.
 - New lab for safety and abuse testing of batteries.

Web page interface

The screenshot shows the E-LASS website interface. At the top left is the E-LASS logo. The navigation menu includes 'About', 'News', 'National Networks', 'Archive', 'Our members', and 'Membership'. A search icon is also present. A blue circle highlights the 'National Networks' dropdown menu, which is open and shows 'S-LASS' and 'MariLight Network' as options.

Next E-LASS event

E-LASS #17 will take place 3-4 May 2023 in Las Palmas, Spain!
Please register for the event [here!](#)
This is the [agenda](#) for the meeting.

If you are interested in sponsoring any part of the event or to give a presentation, please send a message to: e-lass@ri.se

SPONSOR THE NEXT E-LASS SEMINAR?

If your organisation would like to sponsor E-LASS #16 there are three programs (logo on website and program – always included for sponsor)

- 1. Transportation sponsoring 500 EUR + VAT**
Transportation is vital part of organising E-LASS, especially for industry tours
- 2. Lunch OR Dinner sponsor 1000-1500 EUR + VAT**
Promote your organisation, lunch and dinner sponsors are mentioned accordingly before the lunch and for dinner signage and mentioning before the dinner.
